Your kindness today brings hope tomorrow.

Thank you for your support!

Assamese individuals and families in Chicagoland came together, opened their hearts, and extended their helping hands to raise an extraordinary \$4568 for our brothers and sisters in Assam who are going through difficult times due to devastating damage from floods. These funds were sent in collaboration with Assam Foundation of Northern America (AFNA) whose goal is to raise \$100K to help our needful.

With our love, compassion, and solidarity these contributions pass a message to Assam - We may live thousands of miles away from our motherland, but when our brothers, sisters, friends, and neighbors suffer, the distance disappears. Our hearts remain in Assam. It reflects who we are as a community. We pray that no more such destruction is caused by natural disasters.

Virtual Food Drive On International Yoga Day 2026

Yoga is a gift to all of us, and it is wonderful to see the whole world embracing it. On the auspicious occasion of International Yoga Day (June 21), this year AAGC organized a virtual food drive to support People Resource Center a food bank in Naperville, Chicago.

As AAGC's first-ever food drive as a nonprofit organization AAGC raised over \$716 and collected food donations for PRC.
