Welcome, Baby Evanya!

We are delighted to welcome baby Evanya, who was born to Megha Surana and Anirban Ghose on February 18, 2026.

Warmest congratulations to the proud parents and their family on this beautiful new addition. May baby Evanya's life be filled with love, joy, good health, and countless precious moments!

An Awakening Dream

peaceful deep slumber,
dreaming of the future.
my teddy bear keeps me safe,
from the chaos testing my faith.
the winds swaying violently
with storms crushing my sanctuary,
i roar for my mother afraid.
evanescence, i begin to fade.
when will this nightmare end?
my hopes and dreams scend.
in the torrent —one, two, three... —
i keep counting teddy bears i see.
