Another wonderful achievement to celebrate!

Mrs. Geetasree Gogoi Apte, who runs PGI School with the mission of teaching Assamese to learners around the world, has been awarded a full scholarship to attend Wiki Conference North America 2026 in Edmonton, Canada, in September.

This marks her second consecutive year receiving a full scholarship to participate in the conference. She also attended Wiki Conference North America 2025 in New York City with a full scholarship. Congratulations to Mrs. Apte on this recognition and on her continued dedication to promoting and preserving the Assamese language and culture globally.
